

# IPC-606

## Fanless Embedded Industrial PC

### Features

- 10th Gen Intel® Core® i3 Processor
- 4x GbE LAN interface (Intel)
- Single Channel SO-DIMM DDR4 up to 32 GB
- Intel UHD Graphics, display via HDMI
- Dust-Resistant chassis with outside Fan
- Compact & Economical

### Specifications

|               |                   |                                             |
|---------------|-------------------|---------------------------------------------|
| System        | CPU               | Core i3-10110U                              |
|               | TDP               | 15W                                         |
|               | Memory            | DDR4 SO-DIMM Max 32GB                       |
|               | Graphics          | Intel UHD Graphic based on CPU              |
| Ethernet      | Interface         | 4x RJ-45, 10/100/1000Mbps                   |
|               | Controller        | Intel i210-AT/i211-AT                       |
| Storage       | SATA              | 1x SATA 2.5" bay                            |
|               | M.2               | 1x M.2 NVME SSD                             |
| Expansion     | mPCIe             | 1x mPCIe slot (4G)<br>SIM -slot             |
| I/O           | Front             | 6x USB3.1                                   |
|               |                   | 2x COM                                      |
|               | Back              | 4x LAN                                      |
|               |                   | HDMI                                        |
|               |                   | Audio                                       |
|               |                   | Power input                                 |
| Physical      | Dimension         | 135mm x 135mm x 48mm                        |
|               | Cooling           | Dual action<br>Passive & Fan                |
| Power         |                   | 12V DC Input                                |
| OS Support    |                   | Win11/Win10/Linux                           |
| Environment   | Operating Temp    | Normal HDD: 0 - 40C<br>Wide-Temp: -20 - 55C |
|               | Storage Temp      | -30 - 70C                                   |
|               | Relative Humidity | 5 - 95% (non condensing)                    |
| Certification |                   | CE/FCC                                      |

**4 x GbE Ethernet**  
**Intel i210-AT**
